Vol. LIII—Central Union High—El Centro, California

Foreword

As I walked through these buildings as a freshman, I felt lonely, small, and insignificant. As a sophomore, I began to get a certain feeling that I was actually becoming a part of the school. When I was a junior, I became more interested in my classmates, and college became an important word.

I studied my hardest when I was a senior, knowing that I would be leaving Central Union High School and entering a new life soon. A lonely feeling overcame me, the same as when I was a freshman. I was once again alone; wanting to leave, but yet wanting to stay.

The years have leaped forward, rapidly; perhaps, too rapidly.

In the 1964 La Solana, the annual staff has tried to present the leaps Central has made during this year; (Personal leaps in classes, and school leaps have been stressed, as Central Union continues to prosper and grow.)

Thus, do we bid a bright hello to the freshmen, continued success to the sophomores and juniors, and a sad, lonely farewell to the seniors, hoping they will remember Central Union and come back again, someday.

From the Editor:

Another page has been turned in our school's book of life. This page signifies another great year at CUHS.

For the world, this year will go down in history as another Leapyear. It has also been a "leapyear" for the Spartans. The seniors have leaped into the world. The remaining students have leaped up another step on the ladder toward graduation. For the school in general, this year has marked a leap in the building program and in the growth of the campus.

Compiling the memories and achievements of this leapyear has been both fun and a lot of hard work for the '64 LA SOLANA staff. It is our sincere wish that you enjoy the '64 annual as much as we enjoyed preparing it for you.

We would also like to extend a special word of thanks to the businessmen of El Centro and to Bliven's Photography Studio for helping to make this book possible.

Sincerely,

Jerry Moore

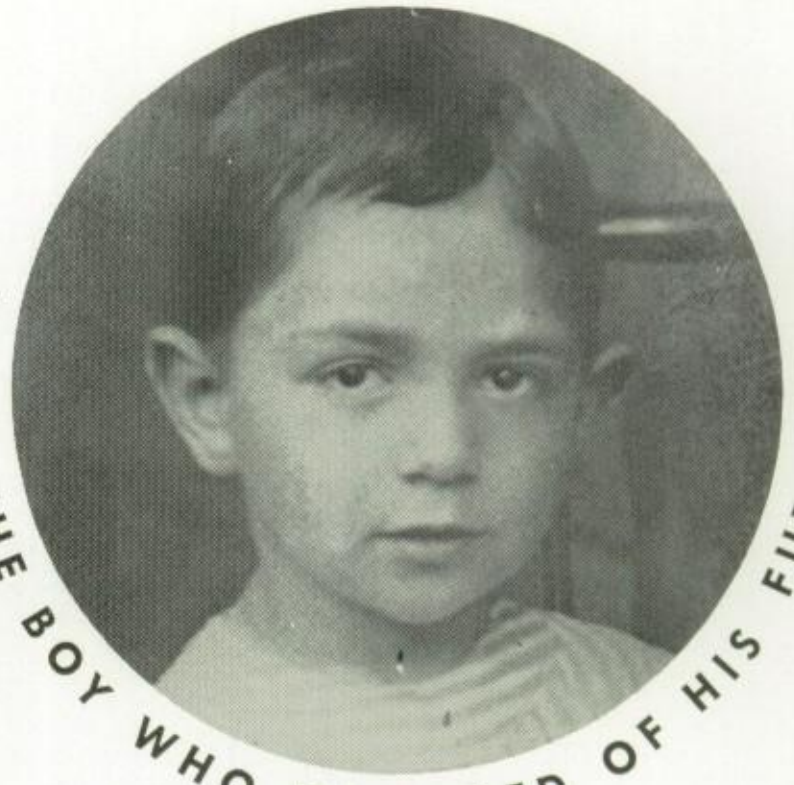
Spirit — Dedication

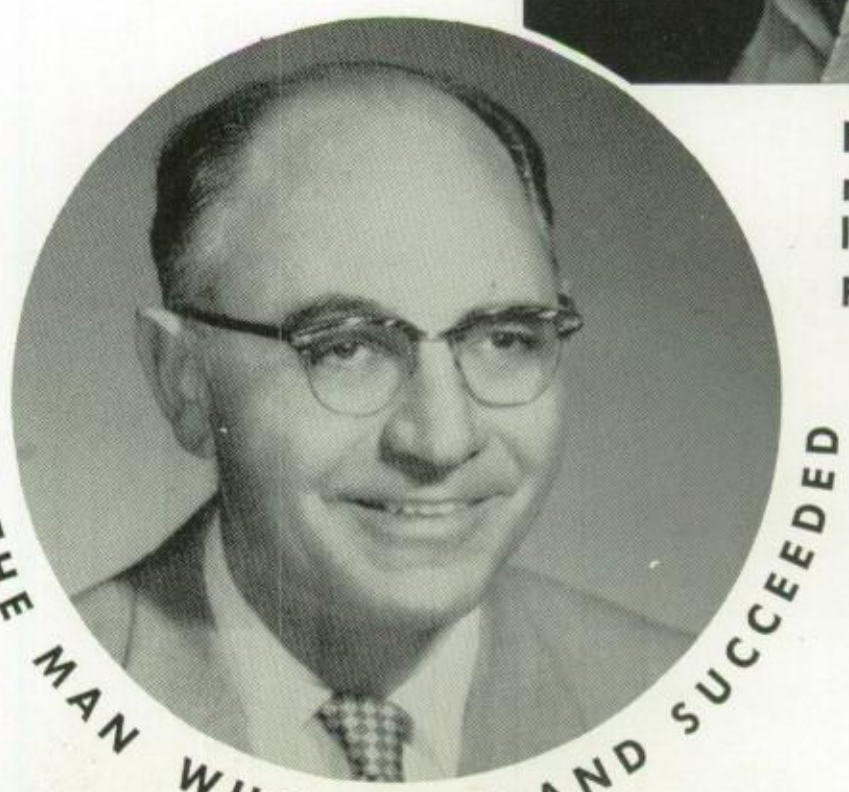


In the six years Mr. Topper has taught at Central, he has been a dedicated teacher; one worthy of tribute. He has been an asset to the student body, not only through his teaching, but also by promoting our spirit.

By never failing to give us confidence in our school and in its activities, he worthily deserves recognition.

To you, Mr. Topper, we the 1964 La Solana staff dedicate this yearbook.

From the boy who worked toward his goal . . .



From the man who learned and progressed . . .

Mr. Jay Topper

At end of Love, at end of Life,
At end of Hope, at end of Strife,
At end of all we cling to so—
The sun is setting—must we go?

At dawn of Love, at dawn of Life
At dawn of Hope, at dawn of Strife,
At dawn of all we long for so—
The sun is rising—Let us go.

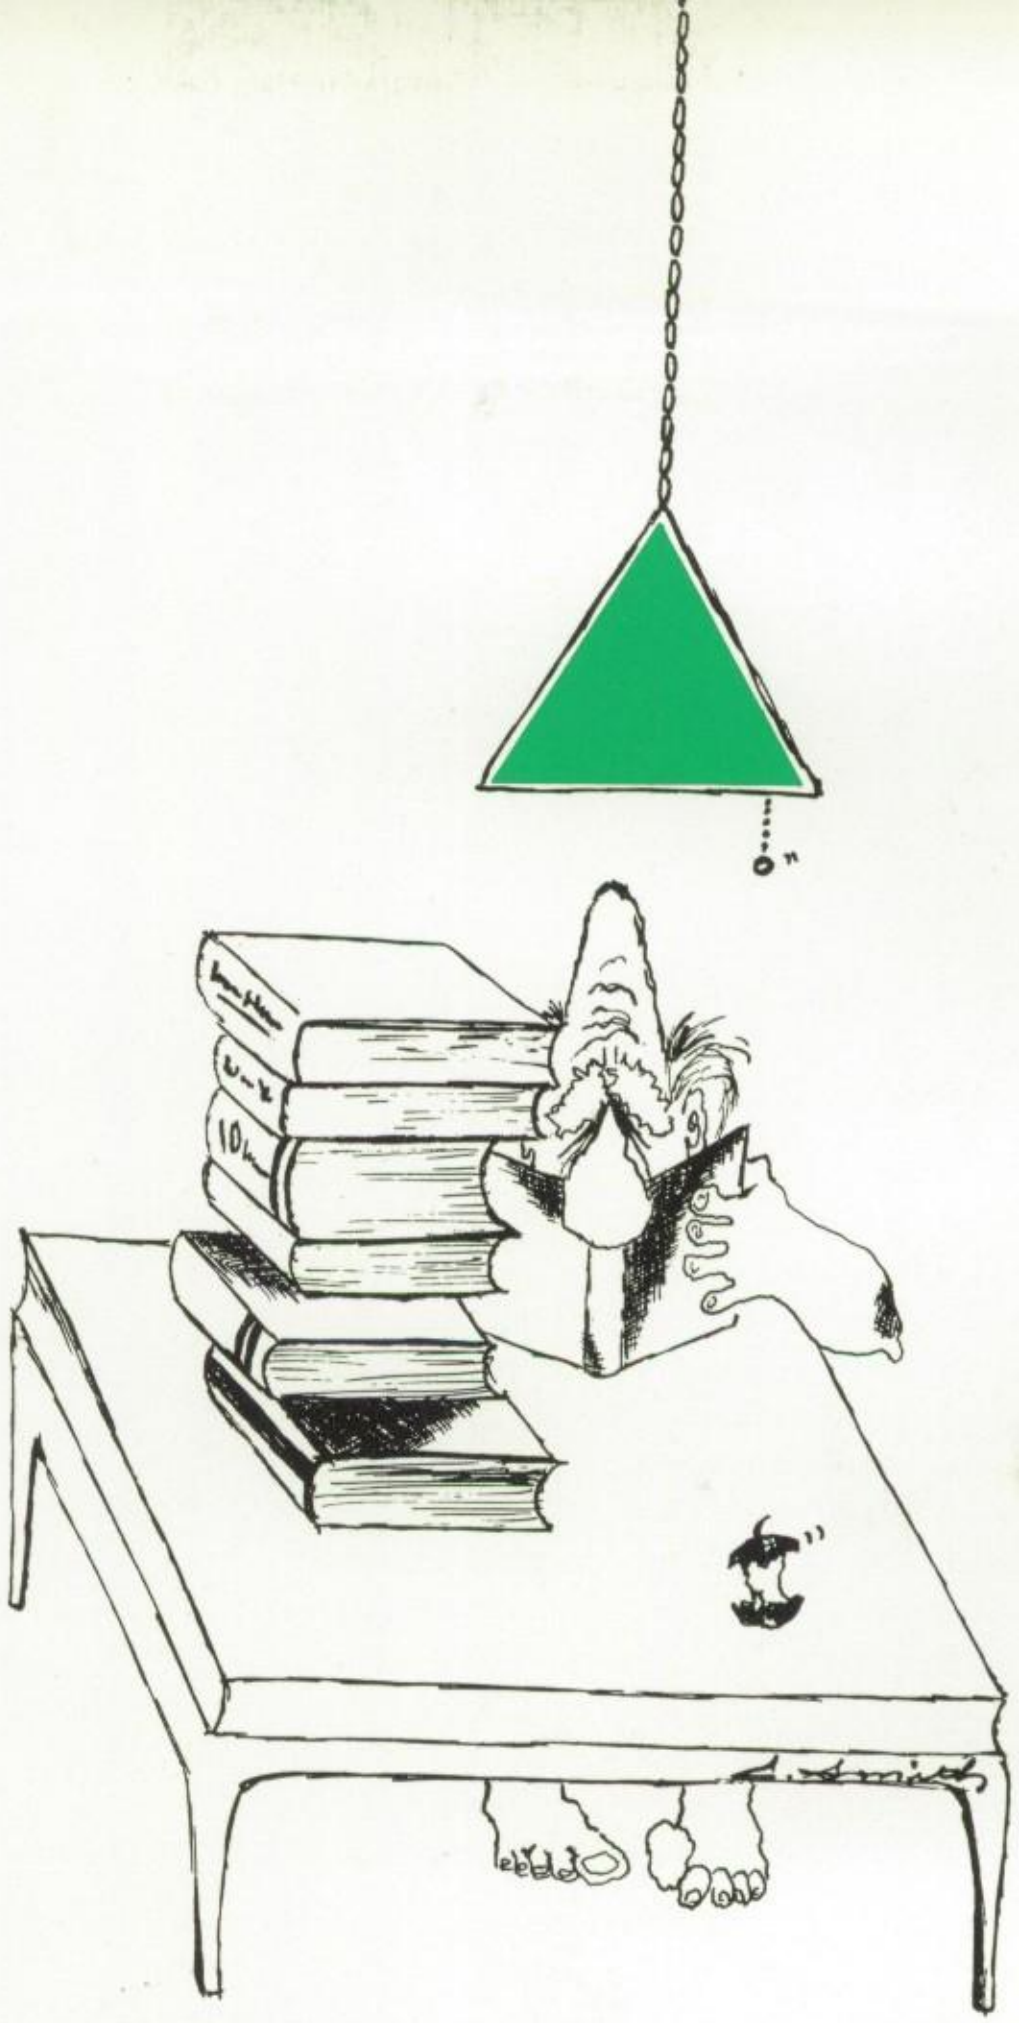
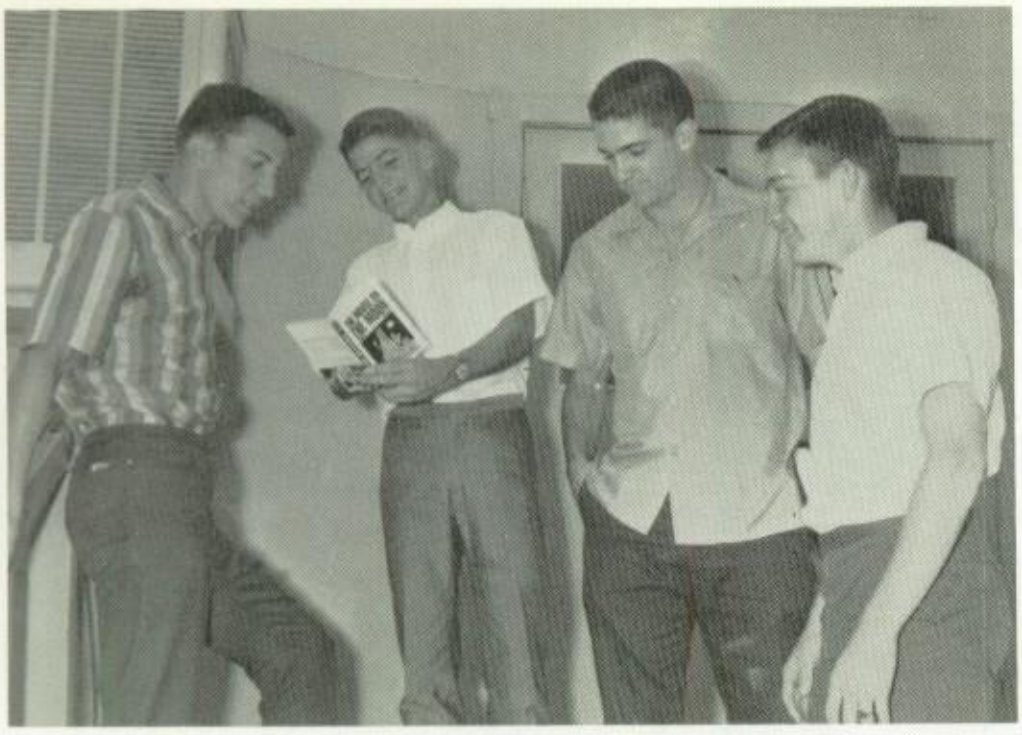
CLASSES





From left to right: Dennis Gartner, Boys' Welfare; David Cason, Athletics Commissioner; Tim LaBrucherie, Commissioner of Halls and Grounds, and Ronn House, Boys' Vice-President.

Dian Mahan, Pep Commissioner.

CUHS

Central's student body government is run by a working group . . . the Commissioners.

Many students who observe things going on around Spartan Center, the Commissioners' second home, see only what goes on outside and not within the Center itself. The students do not realize in totality all the time and effort each Commissioner puts into his individual office.

A few of the accomplishments of the Commissioners include: the Commissioners' carnival, pep assemblies, Commissioners' float, room decoration contest, driver safety program, club insignias, planning special events for homecoming and Brawley week, the downtown marquee, and setting a calendar for school events.

Central is proud of its Commissioners.

Jerry Johnson, President and Joyce Morita, Secretary.

Commissioners

Gretchen Merklein, Girls' Vice-President and Paula Smith, Commissioner of Publicity.

Candy McNay, Commissioner of Publications and Ray Strackbein, House Manager.

Peggy Slocurn, Girls' Welfare and Susan Broadbent, Treasurer.

Erla, AFS Student

Always smiling; Always Cheerful

Scholarship is her main goal.

Fitting a gift bracelet, Erla concentrates

In every school there is something unique. Central, this year, has been lucky enough to have a person as unique as Erla.

In every school there is a person who creates interest, respect, and the sincere desire for friendship. Erla Thorarinsdottir has done just this.

As a foreign exchange student, she came here to learn and at the same time to teach. She has learned the ways of an American school, and she has taught Central the ways of Iceland.

Our school has profited from knowing you, Erla, and it has been a privilege and an honor having you as our A.F.S. student.

SENIOR CLASS PLAY

In honor of the celebration of the 400th birthday of William Shakespeare, the Senior Class presented his play, **"The Taming of the Shrew."**

After weeks of rehearsals plus the male characters growing beards, the production, directed by Martin E. Coutant, captivated its audiences.

On each of the five nights of its presentation, a full house delighted in observing the taming of the wild shrew.

Bouquets were in order for Mr. Coutant and the entire cast.

Mr. Dean Curtis is an asset to our school. In the 1964 LA SOLANA, the student body would like to express its respect for him and to thank him for helping to make this year a very successful one.

DEAN A. CURTIS, PRINCIPAL

BLINN TENNEY, ASS'T PRINCIPAL

DON E. HALVERSON, SUPERINTENDENT

It has been a privilege and an honor for me to be associated with the students and faculty at Central Union High School as your principal, and take part in the growth and expansion of this institution. With this inevitable growth, we are able to enrich the educational program to provide the kind of experience which will give you a firm foundation upon which to build your life's work.

To those of you who graduate from this institution, may you look back with pleasure and satisfaction upon the training and experience you have received here, and may you always have a feeling of pride in the parts you played in the success of your school.

Sincerely,

Dean A. Curtis

DEAN A. CURTIS

Eugene Tubach, Director of Attendance, feels his job is successful when he is able to see that a student who has been on a ragged edge for a year or two makes a change for the better.

Director of Attendance

Blinn Tenney, Central's Vice-Principal, can be counted on to represent the students fairly whenever the need arises.

Vice-Principal

Alfred Madrid, Director of Activities, believes that the beauty of his job is working with students who are interested in the school. It is a challenge to him to keep ahead of them.

Our school nurse, Mrs. Dorothy Waldrup, can always be counted on for any comfort needed. She is a graduate of Methodist Hospital, Sioux City, Iowa.

Frank Guirado, school psychologist, spends his busy days giving grade placement and evaluation tests. He makes periodic reports concerning these to the Board of Trustees.

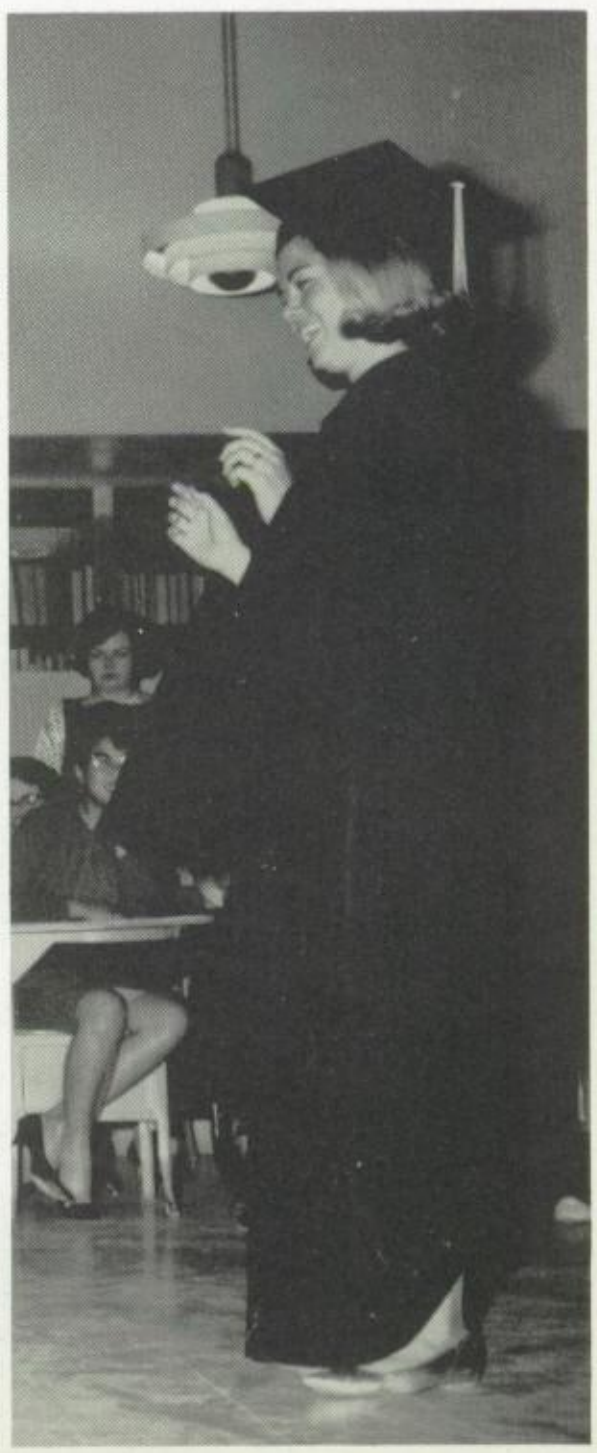
C S F Life Members

Life membership in the California Scholastic Federation is not all work.

Membership is mostly study

The gold tassel is a mark of distinction.



These are C.S.F. Life Members. To be a member of this group requires work—hard work—and long hours. Each of these students has been a member of C.S.F. for at least 4 semesters out of the last 6 of his high school career.

Their reward—a gold tassel on their graduation caps and the right to lead the graduation parade.

The crowd was held speechless as the 1964 Homecoming Queen Candidates were escorted into the heart formed by the Central High School Band on the Spartan field.

The spectators were filled with suspense as they awaited the crowning of the queen who was . . . MISS SHARON GREENSTEIN.

Sharon and her two attendants, MISS GINA TAVOLAZZI and MISS PAT TERRIBILINI, also reigned over the Homecoming dance, "TEA HOUSE OF THE NOVEMBER MOON."

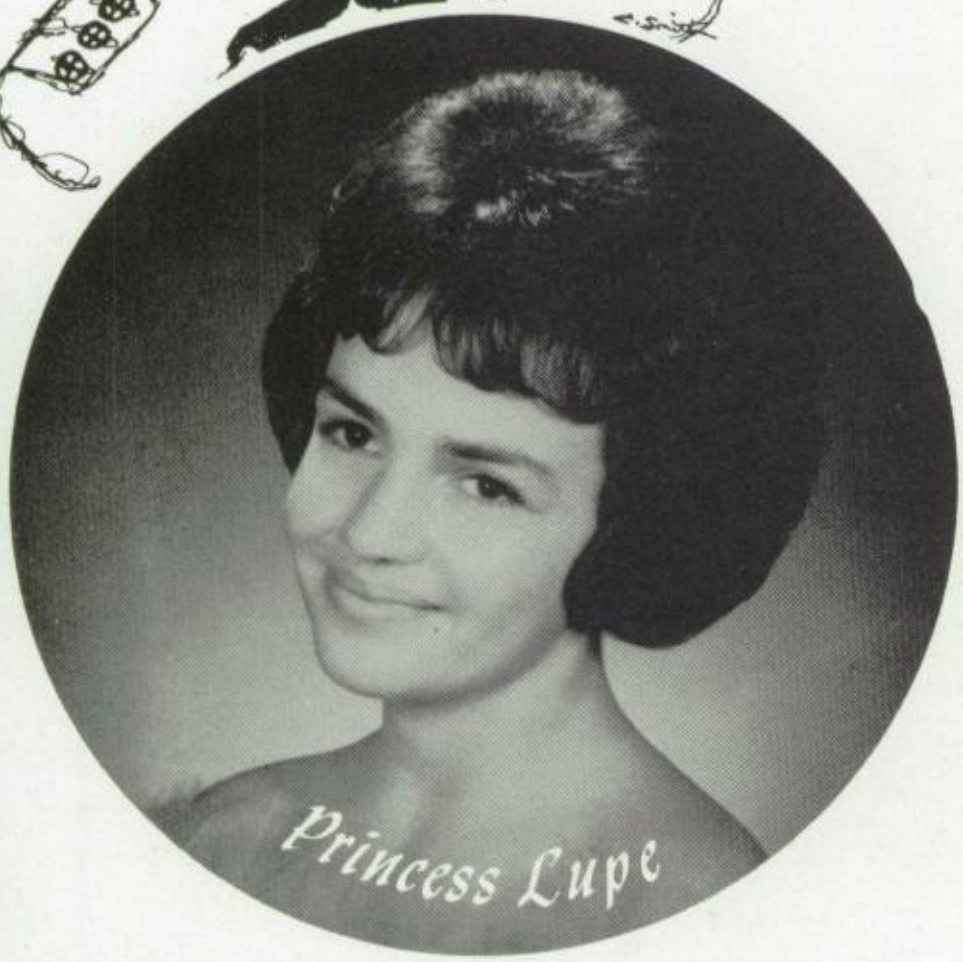
CANDY CANE BALL



CANDY CANE BALL was the title of the 1963 Christmas Dance. The evening began at 9 o'clock and the room was filled with a great deal of Christmas spirit as some danced and others discussed the upcoming vacation.

In one part of the room was a beautifully decorated Christmas tree. This was the place where the lovely Christmas Queen was to be crowned.

One of these beautiful girls would have the honor, Lupe Carrillo, a Freshman; Susan Ting, a Sophomore; Susan Mansueto, a Junior; or Gretchen Merklein, a Senior.

As the dance drew near its end, lovely Sue Mansuedo was crowned queen of the CANDY CANE BALL. Sue and her attendants Lupe, Susan, and Gretchen, ruled gracefully for the rest of the evening. It was a night enjoyed by everyone.
